Meeting Called to Order:

Meeting was called to order at 4:23 p.m.

Minutes: At 5:45 a Motion was made by Geralyn Goodman for June, 2020 minutes be accepted. Seconded by Felipa Martinez. The aye's have it and the motion has passed.

Reports:

A. School/District Report (Lori) - **15 mins** Discussed ideas to get more reading materials in front of students, distribution of materials, use of campus monitors. Use of title I funds to cover software and campus monitors and substitutes. Current software used in classrooms:

1. See saw
2. Discovery education
3. Kid Biz
4. ST Math
5. Lexia Core
6. Google Classroom
7. Flip Grid

B. The district is looking at several different structures if schools are allowed to provide in person instruction. Looks like we will be in distance learning till January at least and then the hybrid version would kick in. The hybrid versions are:

1. Split classes into two cohorts: cohort "A" goes in person Monday Tuesday, cohort "B" goes Thursday and Friday.
2. Providing a live stream from the classroom so half the kids can view from home and half in the classroom.

C. Data Report (Elizabeth) - **25 mins**

Legal Requirements:

1. SPSA Development - **30 mins**
 1. Goal 2: English Learner students- closing the gap: The district wants to give the EL students and extra 30 minutes of English in a way different from what Edison has done in the past (pulling EL students out of the classroom for 30 minutes per day).
 2. Site Improvement plan: focus on what and how we teach ELD this year by adapting it to our immersion methodology of learning.
 3. Due to COVID and distance learning a more simplified version of the PLC is being re-done by Lori and team (and a hired consultant) to not create more work or overwhelm an already overwhelmed group.
 4. Can we possibly use the funds we would spend on a consultant towards supplies and books for students until we are back to a more normal school environment?
 1. We are the only school with immersion program and need some outside help to create a better way and identify things that will improve our situation and not make it harder.

2. Secretary was driving during this time and could not take additional notes.

2. SPSA Budget - 25 mins Lori Orum provided verbal changes she will be making. Notes on these changes will be inserted into the minutes once received. At 5:53pm a Motion was made by Geralyn Goodman to approve the plan as Lori Explained in our previous discussion. Seconded by Aida. The Aye's have it, the motion has passed.

Unfinished Business:

1. Parent Survey Summary Approval Vote - 5 mins

At 6:00pm a Motion made by Geralyn Goodman for the Parent Survey Summary to be approved/accepted. Seconded by Jose Cervantes. The aye's have it and the motion has passed.
