|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| STANDARDS OF BEHAVIOR THAT PROMOTE CIVILITY AT ALL PUBLIC MEETINGS:                                                                                                                                                                                              |
| Treat everyone with respect and courtesy. Listen to others respectfully.                                                                                                                                                                                         |
| Agree to disagree, and don't make it personal; discuss the issue, not the person.                                                                                                                                                                                |
| Keep an open mind and, if merited, allow yourself to be persuaded to change your opinion.                                                                                                                                                                        |
| Acknowledge dissension as a civic right and as a tool to use to reach the best decisions.                                                                                                                                                                        |
| Accept responsibility and maintain self-control.                                                                                                                                                                                                                 |
| NORMAS DE CONDUCTA QUE PROMUEVEN LA CIVILIDAD EN TODAS LAS REUNIONES PÚBLICAS:                                                                                                                                                                                   |
| Mantener la mente abierta, y si la ocasión lo amerita, permitir ser persuadido a cambiar de opinión. Reconocer el disenso como un derecho cívico y como una herramienta para tomar las mejores decisiones. Aceptar la responsabilidad y mantener el autocontrol. |
| Tratar a todas las personas con respeto y cortesía.                                                                                                                                                                                                              |
| Escuchar a los demás de manera respetuosa.                                                                                                                                                                                                                       |
| Aceptar las diferencias y no tomarlas de forma personal; debatir el asunto, no la persona.                                                                                                                                                                       |
