Motion to approve the May 19, 2021, Meeting Minutes: Hanny Patel, Second: Jennifer Burns

5/29/2021 Meeting Minutes were approved.

Teague Weybright provided PTSA Report.

Get Your Stuff Day was a success. PTSA had a coffee table set up for parents.

Back to School Picnic provided a great opportunity to get back on campus.

The first PTSA meeting of the year was held in September.

PTSA annual budget expected to be about \$167K.

PTSA is planning Walk to School and Movie Nights events.

Drama program is running.

Ludmila Prokofyeva and Florence Culpepper provided ELAC Report

The first ELAC meeting was last Thursday and had low attendance.

Plan to do more recruiting and find the best time to encourage more parents to join.

Florence Culpepper provided Principal's Report

Administrators and educators working their hardest behind the scenes – while also teaching and being front-facing.

Nurse Jackie provided update on protocols for positive cases, symptomatic individuals, contact tracing, and an explanation of when isolation and quarantine are required.

Per LA County Department of Public Health, if individual is fully vaccinated (two-weeks past second dose) they do not have to quarantine. Recommend, but not require, PCR test for vaccinated students who were exposed.

Parents encouraged to upload student's vaccination card to Lintelio health screening app.

School data on the District's COVID Dashboard is manually updated by school nurse. Given limited staff capacity and demands, it cannot always be updated in real-time.

The school does not have a separate contact tracing team, it is the current staff who are responsible for implementing these protocols. School has 1 full-time nurse, 1 part-time health specialist. District is looking to hire additional support for schools but there are hiring challenges.

Parents can contact DrNow directly for proof of negative COVID test result.

Election of Officers

Nominations for Officers: Nicole will continue as Chair; Savina Rizova, Sally Katovsich, Patricia Fontes will rotate as Secretary

Motion to elect Officers: Beth Hoffman, Second: Jennifer Burns

Officers elected

Florence provided an orientation to School Site Council

Council will discuss School Plan for Student Achievement (SPSA) next month.

School budget was approved as presented in May 2021. Since then, Stretch grant was increased closer to pre-COVID amount, plus one-time additional allocation. Council had an initial discussion on what the funds may be used on to support school plan goals and needs.

Other items

District sent notice to students and parents of Aries replacing Illuminate.

Meeting adjourned 4:55pm
