

Santa Monica High School

A TRADITION OF EXCELLENCE SINCE 1891

Dear Parents and Guardians,

The primary rationale for the Samohi Attendance Policy is the relationship between student attendance and student achievement. Teacher effectiveness is the strongest school-related determinant of student success, but chronic student absence reduces even the best teacher's ability to provide learning opportunities. Students who attend school regularly have been shown to achieve at higher levels than students who do not have regular attendance. This relationship between attendance and achievement is very important to the mission of Samohi.

Please make sure you and your student follow the guidelines so that he/she can walk at their senior graduation.

Sincerely,

Samohi Administration

ATTENDANCE AND TARDY POLICY

All 9th-12th grade students **must not exceed 120 class absences** in order to walk the graduation stage their senior year. The 120 class absence policy will start from freshman year and will go all the way to graduation day. The class absences will carry over from one year to the next.

- Every three tardies equals **ONE** class absence.
- Extreme absences due to doctor prescribed illnesses will be reviewed by the Attendance Review Board on a one-on-one basis. **Attendance recovery is an internal program and will not be reflected in Aeries.**
