District Vision

As a community of learners, the Santa Monica-Malibu Unified School District works together in a nurturing environment to help students be visionary, versatile thinkers; resourceful, life-long learners; effective, multilingual communicators and global citizens. We are a rich, culturally diverse community that values the contributions of all its members and strives to promote social justice. We exist to assist all students in their pursuit of academic achievement, strength of character, and personal growth, and to support them in their exploration of the intellectual, artistic, technological, physical and social expression.

John Adams Middle School Mission Statement

The mission of John Adams Middle School is to create and nurture a kind, connected and compassionate school community. We see to do this by to providing a dynamic, multifaceted educational experience that allows each student to maximize his or her potential academically, socially, emotionally, and physically. John Adams' programs will be based on shared decision-making by interested community members, parents, teachers, counselors, and administrators to meet the unique needs of our diverse, early adolescent population.

Principal's Message

Welcome to John Adams Middle School (JAMS). We strive to meet the academic and social emotional needs of every student who walks through our doors. We are a diverse community of nearly 1,100 students that mirrors our county in terms of race, ethnicity and socio-economics. This population of scholars includes 51 percent Latino, 31 percent white, 11 percent African-American, 5 percent Asian, and 1 percent who are of two or more ethnicities. Our organic diversity benefits all stakeholders by inserting a broad range of perspectives into the academic and social curriculum at JAMS. Our academic and social emotional curriculum are driven by three core concepts: excellence for all; authentic care for our community; and, a shared destiny among all stakeholders. Through these drivers we look to create a connected community and a student population who identify and develop the gifts they possess. We do this a number of ways. First, we build a strong sense of community through an intentional emphasis on building relationships. Teachers, counselors, administrators, custodians, secretaries and more come together to ensure that every student has a meaningful connection with a peer group. This sense of community is also supported through our school wide Mindfulness focus. Our Mindfulness tenets include: make a personal connection with your teacher; build a sense of community; and, make a new friend every day. Connectedness is critical to student engagement, creating a safe school climate and cultivating the circumstances in which all students can self-actualize their greatest potential.

At John Adams, 48 highly qualified teachers, three counselors, three administrators, one librarian, one school psychologist, one speech pathologist, one community liaisons, one special programs coordinator, five office staff, two security officers, instructional assistants, and a number of special-program tutors and music clinicians collectively believe all students can learn at high levels. They work together to provide our students with a dynamic, supportive, multifaceted educational experience geared at allowing our students to maximize his or her academic, creative, social, and physical potential.

Our program is provided through alternate day block scheduling, wherein class periods consist of 90 minutes every Monday through Thursday, and 42 minute periods on Fridays. Here at John Adams, our students have access to numerous curricular programs geared at stimulating their curiosity and igniting their passion for learning, while developing and honing their special interests and abilities. For example, our Science Program provides all students with the opportunity to experience and master cutting-edge science technology as they engage in science discovery through an inquiry and problem-solving approach. In the Science Magnet all students have the opportunity engage in after-school science explorations, as well as trips that provide field-learning experiences. Another highly sought-after program, which includes 20 percent of all our sixth, seventh and eighth graders, is our Spanish Immersion Program. This program, fed primarily by our Immersion feeder school Edison Language Academy, integrates native English speakers with native Spanish speakers. Throughout middle school, these students are immersed in the Spanish language for two periods a year. By the time they promote from John Adams, they will have had nine years of instruction and immersion in the Spanish language. These students then move to Santa Monica High School, where they have opportunity to extend this experience to a full 13 years. Embedded with the goal of Spanish acquisition are goals for cross-cultural awareness and understanding.

JAMS honors the gifts and passions of its students. We look to nurture these gifts by offering a broad range of electives. Our school has developed exemplary programs across the academic spectrum. They include our Visual Arts studio; Engineering courses; Mindfulness; a robust Leadership program (10% of the student body); and, an App Academy among others. And finally, we now have implemented weekly clubs during Advisory to nurture student interests, gifts and curiosities. By providing multiple entry points into our academic program, we are able to support student engagement and foster college and career readiness.

Last, but certainly not least, is our stellar Music Program. Our program invites young musicians of all grades and proficiency levels to participate in one of four bands, four orchestras, or six choirs. More than 600 of our students are currently enrolled in one of our ability-based ensembles. Our instrumental and vocal ensembles compete annually in local performance festivals hosted by the Southern California School Band and Orchestra Association, and the Southern California Vocal Association. There, our band, orchestra and choir routinely achieve superior and excellent rankings across every domain.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2018-19 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 6	331
Grade 7	345
Grade 8	346
Total Enrollment	1,022

2018-19 Student Enrollment by Group

Group	Percent of Total Enrollment
Black or African American	7.6
American Indian or Alaska Native	0.2
Asian	2.5
Hispanic or Latino	50.6
White	31.7
Two or More Races	6.8
Socioeconomically Disadvantaged	40.3
English Learners	9.1
Students with Disabilities	14.2
Foster Youth	0.2
Homeless	0.6

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials for John Adams Middle	17-18	18-19	19-20

Teacher Misassignments and Vacant Teacher Positions at John Adams Middle School

Indicator	17-18	18-19	19-20
Teachers of English Learners			
Total Teacher Misassignments*			
Vacant Teacher Positions			

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.
*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

All students at John Adams have access to state-approved and district-adopted textbooks and instructional materials in all core academic areas. The district follows the state guidelines and cycles for textbook adoptions with new science materials purchased in 2008-09. In the spring of 2014, the district adopted a new Middle School Common Core Mathematics textbook as well as a new Algebra textbook. New English Language arts materials were adopted and implemented for the 2009-10 school year. All students, including English learners, have their own copy of textbooks. Textbooks and instructional materials are recommended for school board approval through a comprehensive process by a districtwide committee of teachers and administrators. Members of the public are invited to review recommended materials and make comments prior to board approval.

Textbooks and Instructional Materials

Year and month in which data were collected: October 2018

Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Reading/Language Arts	California Collections, HMHCO, adopted 6/2017 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
Mathematics	Connected Mathematics Project 3, Pearson 2014, adopted 5/15/2014, CME Algebra, Pearson 2014, adopted 5/15/2014, Big Ideas Geometry, HMH, adopted 5/2015 The textbooks listed are from most recent adoption: Percent of students lacking their own assigned textbook: 0
Science	Focus on Science, Prentice Hall 2007, adopted 4/19/2007 The textbooks listed are from most recent adoption: Percent of students lacking their own assigned textbook: 0
History-Social Science	History Alive! The Ancient World (TCI) (5/2019) ¡Historia Viva!: El Mundo Antiguo (TCI) (5/2019) History Alive: The Medieval World and Beyond (TCI) (5/2019) ¡Historia Viva!: El Mundo medieval y más allá (TCI) (5/2019) American History to 1914, MyWorld interactive (Davidson & Stoff) Pearson (5/2019) American History to 1914, MyWorld interactive (Spanish) (Davidson & Stoff) Pearson (5/2019)
	The textbooks listed are from most recent adoption: Percent of students lacking their own assigned textbook: 0

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements (Most Recent Year)

John Adams Middle School has 43 classrooms, a gymnasium, an auditorium, a library, two computer labs, and an athletic facility consisting of a football field, a soccer field, and a softball field. While the fields are new, the buildings range in age from 50 to 77 years old. Our auditorium is currently not in use as it is under construction.

The school is well maintained by 5.25 full-time equivalent custodians, as well as other district personnel. Custodians work in staggered shifts in order to provide support during the school day, as well as during the night. The safety of our students is of primary concern to all staff members. We conduct regular inspections of all buildings, grounds, and equipment in order to identify and correct any potential safety hazards. The facility is well maintained to promote a clean and safe environment.

Before, during and after school, students are supervised on our grounds by three administrators, two security officers, and four supervision aides. Additionally, the Boys & Girls Club, which is on our site, provides after-school supervision, academic support, and various enrichment opportunities and activities for our students.

During the summer of 2013, two new tennis courts were completed under Local BB Phase II funding. Also during summer 2015-2016, a new eighth-grade courtyard will be constructed for student community gatherings. This will be located between the main office and the 40s wing. Finally, a new visitors' parking lot will be built on the west side of the campus adjacent to the gymnasium.

All the facilities improvement work described above was funded by local Measure BB. Additionally, as part of the Technology Project, Measure ES, all classrooms will be modernized with 21st-century technology. Each room will have a mounted projector, document camera, sound systems with wireless microphones, interactive board and a dual projection system. One of our two computer labs will be upgraded this year. Additionally, all language arts classrooms will receive class set of laptops.

Over the last two years we have had custom blinds installed in every classroom to support temperature and light control. These blinds were funded through PTSA Facilities Improvement Funding and matched by Site Permit Funds.

In the summer 2018 a new gym floor was installed and the entire gym was repainted. The Soccer/ softball field was completely renovated with new Tuff Turf surface. Also 2018 saw the start of air-conditioning the entire school these improvements will take place over the 2018 -2019 school year. Through operational dollars several turf areas that were difficult to maintain the turf was replaced with artificial turf that is more aesthetically appealing making the campus look much better.

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: 1/18/2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19	
ELA	62	63	75	74	50	50	
Math	46	43	61	61	38	39	

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students Grades Five, Eight, and Ten

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District State 18-19 17-18 N/A N/A		State 18-19
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

• Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
7	15.9	21.7	43.9

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

School Year 2018-19 CAASPP Assessment Results - English Language Arts (ELA) Disaggregated by Student Groups, Grades Three through Eight and Eleven

Students with Disabilities	153	148	96.73	20.55	
Foster Youth		-	-		
Homeless	11	7	63.64	36.36	

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Year 2018-19 CAASPP Assessment Results - Mathematics

Disaggregated by Student Groups, Grades Three through Eight and Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	1028	1013	98.54	43.08
Male	518	509	98.26	41.45
Female	510	504	98.82	44.73
Black or African American	78	78	100.00	24.36
American Indian or Alaska Native		1	1	
Asian	24	24	100.00	70.83
Filipino		-	-	
Hispanic or Latino	525	521	99.24	30.90
White	324	316	97.53	60.95
Two or More Races	70	68	97.14	66.18
Socioeconomically Disadvantaged	464	459	98.92	25.05
English Learners	167	166	99.40	18.67
Students with Disabilities	153	148	96.73	15.54
Foster Youth				
Homeless	11	9	81.82	18.18

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parents have multiple ways in which to be involved on our campus. They may support campus culture by volunteering to help with campus activities our student store, English Language Advisory Council, beautification days, Science Magnet Board, School site Council, PTSA, Robotics mentors, Mock Trial mentors and Musical Theatre volunteers, among others. We have a weekly Parent Eyes program where parents assist with supervision during lunch. Some parents support academics by assisting in classrooms, or chaperoning field trips in and well beyond our city limits. This year we have added multiple Parent Ed Nights that focus on topics including: the responsible use of technology and social media; campus safety; supporting student self-advocacy; mindfulness; gender and sexual identity; and, the importance of social emotional development in adolescence.

Our community liaisons also allow parents to become involved with support of students and to be a part of parent support or advisory groups. These groups meet on a regular basis.

For more information on how to become involved at the school, contact Martha Chacon, Assistant Principal, at (310) 452-2326, ext. 72206.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

John Adams Middle School, like all schools in our district, has a comprehensive safety plan. In order to prepare both students and staff for potential emergencies or disasters, we hold a drill each calendar month. As a full staff, we have discussed how we proceed in the event that we are faced with variables that preclude us from acting in a manner prescribed by our plan. Each classroom is stocked with supplies in the event of lockdown or other stay put emergency, and schoolwide supplies are stored in a separate location adjacent to our schoolwide evacuation site. Our campus has two full-time security officers with staggered hours to cover our campus from 7:15 a.m to 4:30 p.m. During the school day, there is no unauthorized access to our campus. There is only one entrance open during school hours. All visitors must sign in when they arrive at the Attendance Office.

John Adams" Emergency Safety Plan is updated each year at the end of January and revisions for 2016-2017 are currently underway.

Suspensions and Expulsions for the School	2016-17	2017-18	2018-19
Suspensions Rate	3.8	2.3	4.2
Expulsions Rate	0.0	0.0	0.0

Suspensions and Expulsions for the District	2016-17	2017-18	2018-19		
Suspensions Rate	2.1	2.4	2.0		
Expulsions Rate	0.0	0.0	0.0		

Suspensions and Expulsions for the State	2016-17	2017-18	2018-19
Suspensions Rate	3.6	3.5	3.5
Expulsions Rate	0.1	0.1	0.1

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Ratio of Academic Counselors to Pupils (School Year 2018-19)

Title	Ratio
Academic Counselor*	511.0

One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Student Support Services Staff (School Year 2018-19)

Title	Number of Full-Time Equivalent (FTE)
Counselor (Social/Behavioral or Career Development)	2.0
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	1.0
Speech/Language/Hearing Specialist	1.0
Resource Specialist (non-teaching)	
Other	3.0

One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Secondary)

Subject	2016-17 Average Class Size	2016-17 # of Classes* Size 1-22	2016-17 # of Classes* Size 23-32	2016-17 # of Classes* Size 33+	2017-18 Average Class Size	2017-18 # of Classes* Size 1-22	2017-18 # of Classes* Size 23-32	2017-18 # of Classes* Size 33+	2018-19 Average Class Size	2018-19 # of Classes* Size 1-22	2018-19 # of Classes* Size 23-32	2018-19 # of Classes* Size 33+
English	23	11	14	8	23	11	12	10	22	12	14	8
Mathematics	24	7	22	2	26	7	11	10	26	8	15	4
Science	29	2	17	6	31	2	6	16	30	2	9	12
Social Science	28	4	15	7	29	5	6	14	30	2	14	7

^{*} Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	25	25	28

All teachers and staff in SMMUSD participate in ongoing professional development through banked time, up to 90 minutes of meeting and professional development time each week at each site. Areas of districtwide focus for teacher and administrator professional development include implementation of curriculum guides and other areas that are determined by a review of summative and formative data from all school sites and the collection of input from teachers and administrators. Among the primary focus areas for professional development in SMMUSD are the following:

Mindfulness

Close and Analytical Reading

- Supporting students in Academic Language
- Developing Instructional Leadership Teams and Professional Learning Communities through engaging in the Cycle of Inquiry
- Culturally relevant and responsive pedagogy
- Supporting students with special needs
- Differentiated instruction for all students, with an emphasis on English learners

A variety of methodologies are used to provide professional development, including coaching and mentoring. SMMUSD provides coaching through several programs such as BTSA, National Board Teachers, Literacy, ELD coaching, School Leadership Teams. Additionally, professional development occurs through workshop series during banked time and/or after-school opportunities. Each August, all teachers new to Santa Monica-Malibu are invited to participate in Teacher Academy, a professional development and orientation to districtwide curriculum and instructional initiatives. All eligible new teachers are encouraged to participate in BTSA. Teachers interested in applying for National Board Certification are supported in their efforts.

FY 2017-18 Teacher and Administrative Salaries

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$49,859	\$51,374
Mid-Range Teacher Salary	\$74,444	\$80,151
Highest Teacher Salary	\$100,278	\$100,143
Average Principal Salary (ES)	\$124,840	\$126,896
Average Principal Salary (MS)	\$138,074	\$133,668
Average Principal Salary (HS)	\$150,077	\$143,746
Superintendent Salary	\$240,000	\$245,810

Percent of District Budget	District Amount	State Average for Districts In Same Category
Teacher Salaries	33%	35%
Administrative Salaries	5%	5%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

FY 2017-18 Expenditures Per Pupil and School Site Teacher Salaries

Level	Total	Restricted	Unrestricted	Average Teacher Salary
School Site	6792	8	6784	84614
District	N/A	N/A	\$8,432	\$82,621.00
State	N/A	N/A	\$7,506.64	\$82,031.00

Percent Differences	Unrestricted	Average Teacher Salary
School Site/District	-21.7	2.4
School Site/ State	-10.1	3.1

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded

A combination of state and federal funding is used to cover all aspects of our instructional program.

SMMUSD uses Title II funds to support a Math and Secondary Support Coordinator to:

- work with teachers/administrators to support student learning around math content and practices for all students
- facilitate and review the guaranteed and viable curriculum that includes use of common formative assessments to gauge student
- support ongoing intervention/enrichment opportunities to address student growth and needs

Title III funds are utilized to expand educational opportunities that increase language and academic proficiency of our English learners, and to expand parent engagement opportunities.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
