School Description

District Vision

As a community of learners, the Santa Monica-Malibu Unified School District works together in a nurturing environment to help students be visionary, versatile thinkers; resourceful, lifelong learners; effective, multilingual communicators; and global citizens. We are a richly varied community that values the contributions of all its members. We exist to prepare all students in their pursuit of academic achievement and personal health and to support and encourage them in their development of intellectual, artistic, technological, physical and social expression.

Lincoln Middle School Mission Statement

Lincoln Middle School is a safe learning environment where students are supported intellectually and emotionally to meet their highest potential. Adults work together as role models to provide clear expectations for student achievement and student behavior ensuring that every student feels supported and successful.

Principal's Message

Lincoln Middle School is located 1501 California Avenue, one block north of Wilshire Boulevard, in the beautiful beach community of Santa Monica, California. We serve a diverse community of students enrolled in grades 6-8. The vast majority of these students arrive from our three local feeder elementary schools. Our staff includes 45 credentialed teachers—including 10 who have received National Board Certification—three full-time administrators, three full-time counselors, a full-time librarian, a full-time nurse, a full-time school psychologist, a speech pathologist, a bilingual community liaison, 12 paraeducators, one lifeguard, three part-time music instructional assistants, two security guards, four-and-a-half custodians, and four-and-a- half office staff personnel. A strong Parent Teacher Student Association (PTSA) and numerous parent volunteers are vital in supporting the work that we do. Lincoln has an award-winning music program and has three full-time music teachers: Director of Bands, Director of Orchestras, and Director of Choral Music. Students compete in local, state, and national competitions winning excellent and superior ratings. Students perform two school concerts each year in addition to local festivals.

Lincoln is recognized as one of the leading middle schools in both California and the nation and has received many awards, such as California Distinguished Schools, National Blue Ribbon, and Disney Spotlight School of the Year. In addition to a rigorous academic program and an API (Annual Performance Index—the state report card—out of 1,000 possible) of 908, we use Character Counts! to help promote integrity and compassion in our student community.

Our Lincoln Middle School vision statement guides our mission and our daily decisions: Teachers work together in content and grade-alike teams to help students become critical thinkers, problem solvers, and contributing citizens of the community. Staff members support teaching and learning by creating a clean and safe learning environment where students are inspired to think and behave like artists, fitness enthusiasts, historians, mathematicians, musicians, scientists, and writers.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2015-16 Student Enrollment by Grade Level	
Grade Level	**Number of Students**
Grade 6	382
Grade 7	346
Grade 8	339
Total Enrollment	1,067

2015-16 Student Enrollment by Group	
Group	**Percent of Total Enrollment**
Black or African American	5.2
American Indian or Alaska Native	0.1

White	60.6
Two or More Races	4.7
Socioeconomically Disadvantaged	18.8
English Learners	5.8
Students with Disabilities	10.1
Foster Youth	0.2

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):
- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

This School	100.0	0.0
Districtwide		
All Schools	96.2	3.8
High-Poverty Schools	87.7	12.4
Low-Poverty Schools	98.9	1.1

* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

All students at Lincoln have access to state-approved and district-adopted textbooks and instructional materials in all core academic areas. The district follows the state guidelines and cycles for textbook adoptions with new science materials purchased and implemented in the 2007-08 school year. Mathematics textbooks were adopted in summer 2014 to include California Common Core State Standards. In 2009-10, we implemented the newly adopted English language arts textbooks. All students, including English learners, have their own copy of textbooks that they leave at home. The PTSA has generously purchased classroom sets of textbooks so that students can leave their copies at home. Textbooks and instructional materials are recommended for school board approval through a comprehensive process by a districtwide committee of teachers and administrators. Members of the public are invited to review recommended materials and make comments prior to board approval.

Textbooks and Instructional Materials Year and month in which data were collected: May 2014	
Core Curriculum Area	**Textbooks and Instructional Materials/Year of Adoption**
Reading/Language Arts	California Literature, McDougal Littell 2009, adopted 5/21/2009 **The textbooks listed are from most recent adoption:** Yes
Mathematics	Connected Mathematics Project 3, Pearson 2014, adopted 5/15/2014 California Mathematics Geometry, Holt 2008, adopted 4/3/2008 CME Algebra, Pearson 2014, adopted 5/15/2014 **The textbooks listed are from most recent adoption:** Yes
Science	Focus on Science, Prentice Hall 2007, adopted 4/19/2007 **The textbooks listed are from most recent adoption:** Yes
History-Social Science	History Alive!, TCI 2006, adopted 6/1/2006 **The textbooks listed are from most recent adoption:** Yes

School Facility Conditions and Planned Improvements (Most Recent Year)

Lincoln was built in 1924 and will be 90 years old this year. The school facility is well maintained and is in well-functioning condition. Lincoln School provides a clean, safe, and modern learning environment. Our facilities currently support the largest number of middle school students, faculty, and staff in the district. A Technology Committee oversees our technology infrastructure, which currently provides two fully equipped student computer labs, computers and telephones in every classroom, ceiling-mounted projectors and document projector set-ups in all core classrooms as well as a closed-circuit student TV system that links our Homebase classes for weekly live and prerecorded announcements. We take pride in the cleanliness and appearance of our campus that is maintained by four custodial staff members (one daytime custodian and three night custodians) and the cooperative efforts of our students. As mentioned before, Lincoln is a closed campus during the school day. Before and after school, students may access campus from nine different entry points around campus. During the school day, visitors must sign in and obtain a visitor badge in order to enter campus. Parent volunteers and/or security staff monitor the visitor sign-in desk.

The construction contract for the Lincoln Modernization project was awarded to Erickson-Hall Inc. in October 2012. Construction includes demolition and remodel of our west wing building (located on the 14th Street side of campus) to build a new building containing a library, choral room, outdoor amphitheater, six classrooms, and two science labs. Construction began on December 21, 2012 and is expected to be completed by December 2014. As part of the Technology project, 20 existing classrooms were upgraded to the district's new technology standards. The standard includes projectors, document cameras, and a sound system with wireless microphones.

With the approval of Measure GSH, the district will now be able to begin addressing the deferred maintenance funding that changed with the statewide implementation of LCFF.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

• Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and

• The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

	CAASPP Results for All Students - Three-Year Comparison								
	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
Subject	School			District			State		
	13-14	14-15	15-16	13-14	14-15	15-16	13-14	14-15	15-16
Science	87	86	87	77	78	77	60	56	54

* Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	2015-16 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
7	14.9	22	56.8

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

	2015-16 CAASPP Results for All Students					
	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
Subject	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16
ELA	73	78	68	71	44	48
Math	63	68	57	60	34	36

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	342	322	94.2	87.0
Male	168	154	91.7	85.7
Female	174	168	96.6	88.1
Black or African American	26	24	92.3	75.0
Asian	33	29	87.9	89.7
Hispanic or Latino	71	68	95.8	73.5
White	200	191	95.5	92.7
Socioeconomically Disadvantaged	65	59	90.8	74.6
English Learners	11	8	72.7	37.5
Students with Disabilities	36	25	69.4	68.0

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):
• Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)
Parents may become involved in many ways, both in ongoing and in single-event opportunities: They may assist in the library, the student store, the teacher copy room, the main office, at the front gate, during lunch supervision, as well as participate in various school activities (such as field trips, class performances, reward parties, drama program), and fundraising efforts. The Lincoln Middle School PTA's guiding premise is to "Positively Impact the Lives of All the Children at Lincoln Middle School through Advocacy, Leadership and Communication." They offer more than 35 volunteer committees to the community to get involved supporting the school in addition to parent-education opportunities during our monthly PTSA meetings.
For more information on how to become involved at the school, please contact Jon Kean, Parent Teacher Student Association President, at jonkean@yahoo.com.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

• Pupil suspension rates;

• Pupil expulsion rates; and

• Other local measures on the sense of safety.

School Safety Plan

School Safety

We have two full-time security officers who work a staggered schedule five days a week. One officer works from 7:30 a.m. to 4 p.m., and the other officer works from 9:30 a.m. to 6 p.m. Their primary responsibility is to patrol the campus and the buildings throughout the day. The office staff and administrators maintain contact with the security officers via radios. All administrators and security officers are available by cellphone as well. During the school day, there is no unauthorized access to the school campus. Only one entrance is open during school hours, and school security staff or parent volunteers man this gate during school hours. Visitors must sign in with their destination. The classroom space is large enough to accommodate the class size of 32-36 students. Grade levels are located in the same area of the building, and the interdisciplinary teams are located next door or across the hall from each other which allows for better collaboration and communication. We have a systematic emergency evacuation plan that is used for both fire drills and earthquake drills. Students are informed of the correct path to take to the field on the north side of the school where they meet their Homebase teachers for attendance and further instructions. Administrators and classified staff have specific duties during drills from gathering attendance sheets to securing grounds and looking for victims. An emergency drill is conducted once every six weeks, and an earthquake drill is conducted at least twice each year. In addition to fire and earthquake drills, we also have a lockdown drill procedure. This drill is rehearsed every six weeks—during classroom time and during "free" time such as during nutrition, lunch, or passing periods.

The School Safety Plan was most recently reviewed and discussed with school faculty in October 2016. Lincoln's Emergency Safety Plan is updated each year at the end of January and revisions for 2016-2017 are currently underway.

Suspensions and Expulsions			
School	**2013-14**	**2014-15**	**2015-16**
Suspensions Rate	2.2	2.8	2.0
Expulsions Rate	0.0	0.0	0
District	**2013-14**	**2014-15**	**2015-16**
Suspensions Rate	1.4	1.8	1.9
Expulsions Rate	0.0	0.0	0.0
State	**2013-14**	**2014-15**	**2015-16**
Suspensions Rate	4.4	3.8	3.7
Expulsions Rate	0.1	0.1	0.1

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2016-17 Federal Intervention Program		
Indicator	**School**	**District**
Program Improvement Status		In PI
First Year of Program Improvement		2011-2012
Year in Program Improvement		Year 3
Number of Schools Currently in Program Improvement		4
Percent of Schools Currently in Program Improvement		100.0

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	3.0
Counselor (Social/Behavioral or Career Development)	0.0
Library Media Teacher (Librarian)	1.0
Library Media Services Staff (Paraprofessional)	1.0
Psychologist	1.0
Social Worker	0.0
Nurse	1.0
Speech/Language/Hearing Specialist	1.0
Resource Specialist	2.0
Other	
Average Number of Students per Staff Member	
Academic Counselor	337:1

* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Secondary)											
	Average Class Size			**Number of Classrooms***							
				1-22			**23-32**			**33+**		
Subject	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16
English	26	24	25	8	10	10	8	12	15	12	8	13
Mathematics	26	23	24	9	7	12	10	19	31	8	4	4

Social Science	29	30	27	4	3	8	6	7	17	14	13	15

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

All teachers and staff in SMMUSD participate in ongoing professional development through banked time, a total of 70 minutes of meeting and professional development time each week at each site. Areas of districtwide focus for teacher and administrator professional development include implementation of curriculum guides and other areas that are determined by a review of summative and formative data from all school sites and the collection of input from teachers and administrators. Among the primary focus areas for professional development in SMMUSD are the following:

- Developing Instructional Leadership Teams and Professional Learning Communities through Lesson Link and Learning Walks
- Literacy and Mathematics—standards-based curriculum and instructional delivery, as well as transitioning from California State Standards to Common Core State Standards.
- Using data to improve classroom instruction
- Culturally relevant and responsive pedagogy
- Supporting students with special needs
- Differentiated instruction for all students, including English learners
- Technology integration

A variety of methodologies are used to provide professional development, including coaching and mentoring. SMMUSD provides coaching through several programs such as BTSA, National Board Teachers, literacy and ELD coaching, Instructional Leadership Teams, and such specialized programs as Cotsen Fellows and EETT Mentor/Coaches. Additionally, professional development occurs through workshop series during banked time and/or after-school opportunities. Each August, all teachers new to Santa Monica-Malibu are invited to participate in Teacher Academy, a professional development and orientation to districtwide curriculum and instructional initiatives. All eligible new teachers are encouraged to participate in BTSA. Teachers interested in applying for National Board Certification are supported in their efforts.

In addition, each year at individual school sites teachers and administrators review data, discuss options and select additional areas of focus for the staff as a whole as well as for departments and/or grade-level teams as appropriate. At Lincoln, we focus on the above district initiatives as well as putting emphasis on incorporating technology into all curricular areas and strengthening school-home communication. For the 2012-13 school year, we dedicated one day to professional development. In the 2013-14 and 2014-15 school years, there were two days dedicated to professional development.

FY 2014-15 Teacher and Administrative Salaries		
Category	**District Amount**	**State Average for Districts In Same Category**
Beginning Teacher Salary	$46,115	$44,958
Mid-Range Teacher Salary	$68,853	$70,581
Highest Teacher Salary	$92,701	$91,469
Average Principal Salary (ES)	$116,790	$113,994
Average Principal Salary (MS)	$127,261	$120,075
Average Principal Salary (HS)	$136,956	$130,249
Superintendent Salary	$239,200	$218,315
Percent of District Budget		
Teacher Salaries	36%	38%
Administrative Salaries	6%	5%

Types of Services Funded

We use Lottery funds to purchase supplemental instructional materials for our core classes as well as for AVID (Advancement Via Individual Achievement) and ELD (English Language Development) programs. Our Tier III funds help provide our teachers with professional development opportunities such as participating in Lesson Link, Learning Walks, attending conferences, grading, and norming. These funds cover subs needed, hourly teacher pay, and/or conference and travel monies. We use Equity Fund and Gift Money to support student groups who are not performing as well as the school as a whole through mentoring and support programs; AVID (for program support, conference and travel for training, field trips for students and paying college-aged tutors); and our Transition Program with our elementary feeder schools, so that the transition from fifth to sixth grade is as smooth as possible. Our PTSA

generously provides teachers accounts to purchase extra supplies that are not covered by the school, copiers, technology (such as response clickers in our science classrooms to provide immediate feedback for experiment purposes) as well as many other activities including parent educational evenings, grade-level enrichment activities in history, core projects, and reward activities and more!

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
