### District Mission

Extraordinary achievement for all students while simultaneously closing the achievement gap.

### District Vision

As a community of learners, the Santa Monica-Malibu Unified School District works together in a nurturing environment to help students be visionary, versatile thinkers; resourceful, life-long learners; effective, multilingual communicators and global citizens. We are a rich, culturally diverse community that values the contributions of all its members and strives to promote social justice. We exist to assist all students in their pursuit of academic achievement, strength of character, and personal growth, and to support them in their exploration of the intellectual, artistic, technological, physical and social expression.

### Will Rogers Learning Community Mission Statement

The WRLC vision is to inspire, educate, and value all learners. As a STEM focus school, we provide an interdisciplinary approach to learning that fully engages students and develops literacy by integrating the arts, the sciences, technology, engineering and mathematics across the curriculum. We engage in inquiry-based learning that spans disciplines and is culturally responsive. As a community, we:

- know that all children can learn;
- believe that social development is as important as academic development;
- create a nurturing environment, in which students, parents, and staff members feel valued;
- integrate technology to enhance learning;
- design rigorous, standards-based learning experiences that meet students' diverse needs;
- provide learning opportunities for students, parents, and teachers that encourage lifelong learning; and
- collaborate with parents and the greater community to support student success.

### Principal's Message

As an International Baccalaureate Candidate school, we execute our mission through an interdisciplinary approach to teaching/learning that engages students by integrating science, technology, engineering, and mathematics across all content areas. The overarching purpose of all of our work is to provide students opportunities to develop as thinkers, communicators, and problem solvers. To support our mission, teachers differentiate instruction and employ research-based strategies that enable all students to access rigorous curriculum. As a learning organization, we regularly engage in research-based professional development that bolsters our efforts to facilitate students' enduring learning. STEM promotes continuous improvement while providing rich opportunities for applied learning; developing the social and emotional skills of all students; and partnering with parents and guardians and community members toward improved student learning outcomes.

To support our efforts in Science, Technology, Engineering and Mathematics (STEM), we have a dedicated STEM coordinator who supports teachers in designing and delivering active, hands-on experiences across these four content areas. Teachers integrate technology into curriculum, instruction, and assessment using tools, such as whiteboards, digital document cameras, desktop and laptop computers, and iPads. We use Cognitively Guided Instruction (CGI) in mathematics. CGI is built on the belief children’s mathematical understanding that best occurs when they participate in activities that link new knowledge to existing knowledge. The greatest value in our STEM work comes through the exposure to real-world applications in STEM. More specifically, our engineering projects bridge content across the disciplines extending to writing and art as well. As students work as engineers, they learn about the design cycle of define; develop; and optimize, a process to make something functional. The engineering cycle is based on the belief that we learn through failures and partial successes. These learning opportunities are designed to help students develop the problem-solving skills, perseverance, and resilience that will prepare them for successful lives the future.

In addition to our STEM focus, we incorporate literacy across the curriculum. In partnership with Teachers College, Columbia University (Teachers College Reading and Writing Project) teachers use research-based strategies to teach reading, writing, and vocabulary. Students read a variety of genres and express themselves in writing in every subject area. Teachers regularly examine student work to analyze and support learning. Our literacy coach meets with the staff to provide high-level professional development, model lessons in classrooms, and work directly with students. As students read and write across disciplines, they develop content knowledge, thinking skills, and written and verbal expression. Teachers assess students’ progress in reading regularly and adjust instruction to meet student needs.

Our staff members focus their work on our TK/K-5 students’ learning, well-being, social development, and safety. We have 22 general education teachers, three special-education teachers, a literacy coach, a language and literacy intervention specialist, a school psychologist, a speech pathologist, and an occupational therapist. These educators collaborate to provide a rich, quality education to children and within a warm, supportive environment. Our talented classified staff supports students and parents in a number of settings and through systems that help them navigate the school environment. School visitors witness students who are actively engaged in their learning and are accountable for their work. We have high expectations for every child at WRLC, and children work hard here, but they also have fun.

We are a Title I school and receive additional funding that enables us to provide additional support services for children who need assistance in reaching grade-level standards. We have instructional assistants who support all grade levels in providing individualized and small group instruction in reading. Our teachers are highly qualified and committed to the collaboration they do with their colleagues at grade level and other schoolwide meetings. They participate in ongoing professional development tied to research-based instructional practices. During our professional-development meetings, teachers have a unique opportunity to collaborate and engage in learning activities that increase their understanding and ability to teach at the highest levels.

Will Rogers is highly committed to a balanced visual and performing arts program for all students. All TK/ K-5 students participate in both music and visual arts programs throughout the year. Our third- through fifth-grade students also participate in poetry, drama, and dance. Come partner with our school, see our children in action, and watch children learn and grow. This is a caring and special school. Will Rogers is a learning community proud of its children, its diversity, and its hopes for the future.

**About the SARC**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.

- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**2019-20 Student Enrollment by Grade Level**

Grade Level	Number of Students
Kindergarten	91
Grade 1	68
Grade 2	80
Grade 3	72
Grade 4	103
Grade 5	77
<b>Total Enrollment</b>	<b>491</b>

2019-20 Student Enrollment by Group

Group	Percent of Total Enrollment
Black or African American	8.4
American Indian or Alaska Native	0.4
Asian	4.7
Filipino	1.2
Hispanic or Latino	43
Native Hawaiian or Pacific Islander	0.2
White	38.5
Two or More Races	3.3
Socioeconomically Disadvantaged	40.5
English Learners	8.8
Students with Disabilities	9
Foster Youth	0.8
Homeless	1

A. C

B. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials for Will Rogers Learning Community	18-19	19-20	20-21
With Full Credential			All
Without Full Credential			0
Teaching Outside Subject Area of Competence			0

Teacher Credentials for Santa Monica-Malibu Unified School District	18-19	19-20	20-21
With Full Credential	♦	♦	
Without Full Credential	♦	♦	
Teaching Outside Subject Area of Competence	♦	♦	

Teacher Misassignments and Vacant Teacher Positions at Will Rogers Learning Community

Indicator	18-19	19-20	20-21
Teachers of English Learners			0
Total Teacher Misassignments*			0
Vacant Teacher Positions			0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)**

All students at Rogers have access to state-approved and district-adopted textbooks and instructional materials in all core academic areas. The district follows the state guidelines and cycles for textbook adoptions with new science materials purchased and implemented in the 2007-08 school year and new math texts in 2008-09. With the textbook-adoption process frozen due to budget constraints at the state level, the district has refreshed the English language arts curriculum, using the existing Houghton Mifflin text integrated with a workshop approach. All students, including English learners, have their own copy of textbooks, except in the case where “Big Books” are used for the entire classroom at the early primary level. Textbooks and instructional materials are recommended for school board approval through a comprehensive process by a districtwide committee of teachers and administrators. Members of the public are invited to review recommended materials and make comments prior to board approval.

**Textbooks and Instructional Materials**

**Year and month in which data were collected: October 2018**

Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
<b>Reading/Language Arts</b>	Benchmark Advance Reading, adopted 6/2017 <b>The textbooks listed are from most recent adoption:</b> Yes <b>Percent of students lacking their own assigned textbook:</b> 0
<b>Mathematics</b>	My Math, McGraw Hill, 2013, adopted 3/5/2015 <b>The textbooks listed are from most recent adoption:</b> Yes <b>Percent of students lacking their own assigned textbook:</b> 0
<b>Science</b>	Science, Harcourt 2007, adopted 4/19/2007 <b>The textbooks listed are from most recent adoption:</b> Yes <b>Percent of students lacking their own assigned textbook:</b> 0
<b>History-Social Science</b>	Reflections, California Series; Harcourt 2006 <b>The textbooks listed are from most recent adoption:</b> Yes <b>Percent of students lacking their own assigned textbook:</b> 0

Note: Cells with N/A values do not require data.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Will Rogers provides a safe, clean environment for its students and staff. Students have adequate space to learn and play throughout their school day. Restrooms, floors, walls, roofs, and plumbing and electrical, lighting, heating, and alarm systems are monitored and maintained regularly. The district added an additional hand-wash station in October 2014 to accommodate hand-washing before meals. All classrooms and workspaces are equipped with telephones and wireless access. Each room has a SMART Board, document camera, and a minimum of four Apple desktop computers. The school also has a computer lab with workstations available for all students.

Our custodial team works from 6:30 a.m. until 10 p.m. to ensure that the school facilities are clean and well maintained. The principal, assistant principal, and other staff members routinely inspect school grounds. Potential problems or hazards are reported to the district’s Maintenance and Operations Department for repair. Classrooms are well lit, carpeted and stocked with an assortment of learning resources, including classroom computers and other technological teaching aids. The school library collection includes a variety of fiction, nonfiction, and reference materials.

Outdoors, our students have age-appropriate play equipment, including handball, basketball, four-square courts, swings, slides, climbing apparatus, and a large, grassy playfield, and track as part of our playground area.

2018 saw the completion of the new window paint and floor projects at Rogers. We also installed new black top throughout the playground area that was much needed. The crumbling parking lot was resurfaced and parts of the roof that were leaking was repaired. With the infusion of operational dollars we will continue to address deferred maintenance issues.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	66	N/A	74	N/A	50	N/A
Math	64	N/A	61	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in Science for All Students

#### Grades Five, Eight, and High School

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
Science	39	N/A	51	N/A	30	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: The new California Science Test (CAST) was first administered operationally in the 2018-2019 school year.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

### 2019-20 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	N/A	N/A	N/A
7	N/A	N/A	N/A
9	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019-2020 school year.

**CAASPP Test Results in Science by Student Group  
Grades Three through Eight and Grade Eleven (School Year 2019-2020)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	N/A	N/A	N/A	N/A	N/A
Male	N/A	N/A	N/A	N/A	N/A
Female	N/A	N/A	N/A	N/A	N/A
Black or African American	N/A	N/A	N/A	N/A	N/A
American Indian or Alaska Native	N/A	N/A	N/A	N/A	N/A
Asian	N/A	N/A	N/A	N/A	N/A
Filipino	N/A	N/A	N/A	N/A	N/A
Hispanic or Latino	N/A	N/A	N/A	N/A	N/A
Native Hawaiian or Pacific Islander	N/A	N/A	N/A	N/A	N/A
White	N/A	N/A	N/A	N/A	N/A
Two or More Races	N/A	N/A	N/A	N/A	N/A
Socioeconomically Disadvantaged	N/A	N/A	N/A	N/A	N/A
English Learners	N/A	N/A	N/A	N/A	N/A
Students with Disabilities	N/A	N/A	N/A	N/A	N/A
Students Receiving Migrant Education Services	N/A	N/A	N/A	N/A	N/A
Foster Youth	N/A	N/A	N/A	N/A	N/A
Homeless	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

**CAASPP Test Results in ELA by Student Group  
Grades Three through Eight and Grade Eleven (School Year 2019-2020)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	N/A	N/A	N/A	N/A	N/A
Male	N/A	N/A	N/A	N/A	N/A

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-21)**

We welcome and encourage parent involvement in many different ways. In the previous year, WRLC parents logged more than 10,000 volunteer hours. Parents are active members of our PTA, English Learner Advisory Committee (ELAC), and School Site Governance Council (SSGC). We offer various trainings and workshops on a regular basis. Parents are well informed as to how they can be involved in our school at a variety of levels, especially working in SSGC and PTA to participate in decision making. The PTA continuously lends support and financial assistance to a variety of school programs such as music, art, classroom supplies, technology, and field trips. Parents are also encouraged to volunteer in the classroom or for our Jog-a-thon, Back-to-School Night, STEM Expo, Family Movie Night, music concerts, annual talent show, book fair, Cinco de Mayo celebration, parent-education opportunities, gardening, and numerous other school-wide events.

We collaborate with the PTA conduct monthly parent education seminars on topics of interest to our community. At these events, we provide child-care services, food, and translation services. Research shows that students with involved parents, no matter what the parents' education or background, are more likely to have better attendance records, earn higher grades and test scores, and have better social skills than those whose parents are not involved. Working together as a learning community, we can reach the high expectations we have set for each and every child.

For more information on how to become involved, contact Community Liaisons Flory Villa at (310) 452-2364, and she can help you find the best way for you to volunteer.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

Will Rogers is in compliance with standards delineated in Education Code 35294.2. As part of our maintenance plan, each staff member has a copy of our disaster-preparedness plan. In our disaster preparedness plan, each staff member receives a folder with outlined procedures, defined roles and responsibilities and a map of the school for evacuation locations. We have established a classroom buddy system, crisis and disaster teams, and a plan of action for various situations such as fire, earthquake, and unsafe situations that would warrant a lockdown. Annual staff review of the school’s safety plan was conducted in September 2019. During the school day, administrators, certificated staff, and playground supervisors provide supervision during lunch and recess periods. All visitors are required to enter through the front office and sign in to a visitor’s log. Visitors must wear district employee badges or receive a visitor’s badge from the office staff when visiting the school campus. After school, Will Rogers offers a complete wrap-around day-care service through our CREST program. Families may enroll students in before and after care programs on a sliding fee scale. Our PTA also offers after-school enrichment classes for each grade level. In addition, for students in grades 2-5, we offer our after-school Playground Access program through the City of Santa Monica.

The School Safety Plan was last reviewed, updated, and discussed with the school faculty in November 2019.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.7	1.0	2.4	2.0	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions		1.5	2.5
Expulsions		0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**D. Other SARC Information**

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

**Ratio of Pupils to Academic Counselor (School Year 2019-2020)**

Title	Ratio
Academic Counselor*	0

\*One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

**Student Support Services Staff (School Year 2019-2020)**

Title	Number of Full-Time Equivalent (FTE)
Counselor (Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	

\*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

**Average Class Size and Class Size Distribution (Elementary)**

Grade Level	2017-18	2017-18	2017-18	2017-18	2018-19	2018-19	2018-19	2018-19	2019-20	2019-20	2019-20	2019-20
	Average Class Size	# of Classes* Size 1-20	# of Classes* Size 21-32	# of Classes* Size 33+	Average Class Size	# of Classes* Size 1-20	# of Classes* Size 21-32	# of Classes* Size 33+	Average Class Size	# of Classes* Size 1-20	# of Classes* Size 21-32	# of Classes* Size 33+
K	22	1	4		19	2	3		18	3	2	
1	24		3		20	2	2		23		3	
2	23		4		23		3		20	3	1	
3	25		3		23		4		24		3	
4	24		4		25		3		26		4	
5	29		3		25		4		26		3	
Other**												

\*Number of classes indicates how many classes fall into each size category (a range of total students per class).

\*\* "Other" category is for multi-grade level classes.

**Professional Development (Most Recent Three Years)**

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	5	5

Professional Development is the centerpiece for our ongoing, continual growth as a teaching staff. Each Friday morning, students start school at 9:45, rather than 8:25. This provides us with three 90-minute bank time sessions per month that are devoted to professional development. The fourth bank time is reserved for teacher preparation and planning. At one of these meetings each month, we met as a whole staff. We refer to this meeting as School-as-a Whole (SAW). During SAW meetings, we participate in professional development on topics related to our school plan. Twice a month we participate in professional learning communities (PLCs) in which teachers regularly analyze student work and assessment data and design and adjust instruction, to address that data.

PLC work is one of the most powerful and effective forms of professional development.

We examined multiple forms of data to choose topics for PD. When we looked closely at our SBAC data from previous years, we noticed that students struggled on the writing claim in ELA and the communicating reasoning claim in math. To address this, our main focus for the 17-18 & 18-19 school years was writing, specifically narrative, informative, and argumentative/opinion writing. In addition, we examine student data and our needs as educators regularly and address topics including, but not limited to: standards-based instruction; balanced literacy; mathematics; assessments; Response to Intervention (RTI); meeting needs of diverse learners; social curriculum; and STEM.

In addition to our Friday bank time professional development, we set aside funds for teachers to attend trainings in the summer and during the school year. A significant part of our professional development is our work with the Teachers College Reading and Writing Project from Columbia University, New York City. In addition, we are have achieved the status of International Baccalaureate Candidacy; this has resulted in significant professional development and collaboration.

Our Instructional Coach meets with grade-level teams, models lessons in classrooms, and collaborates with teachers to design and deliver instruction.

Each August, all teachers new to Santa Monica-Malibu are invited to participate in Teacher Academy, a professional development and orientation to districtwide curriculum and instructional initiatives. All eligible new teachers are encouraged to participate in BTSA. Teachers interested in applying for National Board Certification may participate in the process and can elect to be supported by teachers who have already achieved National Board Certification.

**FY 2018-19 Teacher and Administrative Salaries**

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$49,859	\$52,484
Mid-Range Teacher Salary	\$74,444	\$81,939
Highest Teacher Salary	\$100,278	\$102,383
Average Principal Salary (ES)	\$124,840	\$129,392
Average Principal Salary (MS)	\$138,074	\$136,831
Average Principal Salary (HS)	\$150,077	\$147,493
Superintendent Salary	\$240,000	\$254,706

Percent of District Budget	District Amount	State Average for Districts In Same Category
Teacher Salaries	33.0	34.0
Administrative Salaries	6.0	5.0

\* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/).

**Types of Services Funded**

A combination of state and federal funding is used to cover all aspects of our instructional program.

Title I funds are used for (at least partially):

- after school math intervention and materials
- TCI subscriptions and STEM notebooks
- Professional development
- provide instructional assistants and after-school intervention in reading
- using Lexia as a Tier II reading intervention for students in K-2
- developing a responsive classroom to provide a full social curriculum that can promote a safe and healthy learning environment for students

SMMUSD uses Title II funds to support a Math and Secondary Support Coordinator to:

- work with teachers/administrators to support student learning around math content and practices for all students
- facilitate and review the guaranteed and viable curriculum that includes use of common formative assessments to gauge student achievement
- support ongoing intervention/enrichment opportunities to address student growth and needs

Title III funds are utilized to expand educational opportunities that increase language and academic proficiency of our English learners, and to expand parent engagement opportunities.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

**FY 2018-19 Expenditures Per Pupil and School Site Teacher Salaries**

Level	Total	Restricted	Unrestricted	Average Teacher Salary
School Site	7141	378	6763	81280
District	N/A	N/A	\$8,432	\$83,374
State	N/A	N/A	\$7,750	\$84,577

Percent Differences	Unrestricted	Average Teacher Salary
School Site/District	-22.0	-2.5
School Site/ State	-13.6	-4.0

Note: Cells with N/A values do not require data.
