Suggested Summer Reading 2018

Dear Parents,

Summer reading should be fun. These reading lists have been prepared by the librarians of the Santa Monica Public Library in collaboration with the Elementary Library Coordinators and Librarians of the Santa Monica-Malibu Unified School District. The lists provide a selection of good books that kids enjoy. Reading levels are suggestions only, as every student learns to read at his or her own speed.

You can help by reading with your child and encouraging his or her own interests. Reading takes lots of practice and encouragement. Set aside 15 to 30 minutes every day for your child to read with you. Have fun with the books and help instill the joy of reading in your child. Some titles are also available as audiobooks so families can enjoy a good book together.

For extra summer fun, visit your local public library for reading programs, many of which offer activities and prizes. Santa Monica Public Library's theme for 2018 is "**Reading Takes You Everywhere.**"

Have a wonderful summer vacation and read, read, read!
