

Child Development Services

Family Handbook

**School Age Programs
2023 – 2024**

Welcome!

Dear Families,

Welcome to Child Development Services (CDS)! We are both excited and honored to have your child(ren) in our programs. As a part of the Santa Monica-Malibu Unified School District (SMMUSD), our department serves many children. With our various programs, including the Infant/Toddler Center, Seaside, California State Preschool Programs (CSPP), and our School Age Programs for students in grades TK - 3 (CCTR), we have the opportunity to support many families in our community. We hope you find the programs and the staff ready to support your needs.

We understand school readiness is one of the most important skills we can offer our youngest students, but we also know families are the greatest support system our children can have. We offer our families opportunities to participate in workshops, parent groups and to sit on decision making teams in CDS. We also incorporate health and nutritional services with our school readiness programs, because we believe these services can strengthen each child's ability to successfully participate in school. We also encourage you to find ways to stay involved with us. If you don't see something that works for you, ask us - we'll figure it out together!

Please read through this Family Handbook as it is one way we can share information about who we are and what we do. The handbook will share some of the ways you can be involved in your child's education, as well as the roles and responsibilities of both parents and our staff. Finally, you will also find detailed information about the regulations that govern our programs.

Once again, thank you for being a part of our Child Development Services family. We look forward to a positive and productive year where we are able to work in partnership with you to best support our children. We hope you enjoy your experience with us!

Sincerely,

Susan Samarge-Powell, Ed.D.
Director of Early Learning
Child Development Services

Our Program: Philosophy, Goals, and Objectives

Program Description

Santa Monica-Malibu Unified School District (SMMUSD) Child Development Services (CDS) is funded through the California Department of Education Child Development Division and School Age programs parents' fees. Policies for providing subsidized services are developed in accordance with the "Funding Terms and Conditions Contract" of the State Department of Education.

If applicable, families must meet and continue to meet all eligibility requirements for the School Age programs.

Open Door Policy

Child Development Services maintains an open-door policy. Parents may visit our classrooms unannounced to observe their child during program hours. Parents must follow district procedures upon arrival.

Prohibition on Religious Instruction

SMMUSD complies with the regulations which stipulate that religious instruction or worship is prohibited.

Equal Access

SMMUSD does not discriminate on the basis of sex, sexual orientation, gender, ethnic group identification, race, ancestry, national origin, religion, color, mental or physical disability in determining which children and families are served. Our district understands and implements the requirements of the Americans with Disabilities Act (ADA) to make reasonable accommodations for children with disabilities. The accommodations cannot negatively impact the fiscal solvency of the program.

- ADA-Title II: SMMUSD complies with the Americans with Disabilities Act of 1990, Public Law 101-336 and 42 U.S.C 12101 et seq. These regulations prohibit discrimination on the basis of disability, and require that no qualified individual with a disability be denied the benefit of Child Development services, programs, or activities.

Parent Involvement

Our programs are based upon a partnership with the parents of the children enrolled. Therefore, parents are encouraged to participate in our programs. Parent participation is essential to the successful operation of each program. Parents/Guardians are strongly encouraged to volunteer in the classroom and on field trips if possible. District policy requires that all volunteers:

- Complete a SMMUSD Volunteer Application at the school site
- Participate in a volunteer orientation training at the site, if applicable
- Complete an Adult Tuberculosis (TB) Risk Assessment (part of the volunteer packet) that is cleared by CDS nurse and submit a “Certification of Completion” to be filed with CDS ●
- Must agree to have Megan’s Law Check
- Once all items have been reviewed and approved you may begin to volunteer

The following are additional examples of ways parents can be involved:

- Volunteer in the classroom.
- Assist with field trips.
- Bring items from home that might support projects or activities.
- Attend or join the Early Care and Development District Advisory Committee (DAC).
- Attend the parent /teacher conferences offered twice a year.
- Complete and return the annual State required Parent Survey.

Community Involvement

The District Advisory Committee consists of Child Development Services staff, parents and members of the community. The committee meets regularly to discuss the needs of all Early Learning programs, including ITC, Preschool, and School Age Programs. Though not a governing board, the members, who represent many aspects of the community, give input concerning program policies and procedures.

Education Program

SMMUSD is committed to providing a quality educational program that focuses on the whole child and support services that address the diverse needs of all our families. This is all done in an environment that is rewarding, inclusive, and collaborative for all, including children with special needs. Our program encourages respect for the feelings and the rights of others, building trust and planning routines and transitions so they can occur in a timely, predictable and unhurried manner.

Staff Development

SMMUSD hires qualified staff to be part of our team. All staff members hold appropriate credentials or permits required by the state of California.

- New employees are provided an orientation to guide them in understanding how district policies relate to their respective job description.
- Teachers participate in annual mandatory staff meetings; they receive training on serving as mandated reporters, understanding district policies on substance abuse and harassment; and receive, read and sign Professional Expectations and Absence notification letters
- CDS supports continuous growth by assessing the needs of the staff members and providing professional development activities to enhance their growth.
- Staff members are evaluated per District Evaluation Procedures.
- Internal communication mechanisms are in place, including email and voicemail, to provide staff with information necessary to carry out their respective duties.

School Age Classroom Environmental Rating Scale (SACERS)

Each classroom is assessed using a School Age Childhood Environmental Rating Scale (SACERS) tool at least once each school year. The objective is for each sub-scale to receive a minimum 5 out of 7 score. The information obtained from this assessment is then used to help teachers design layouts and purchase materials each school year to enhance their classroom environments.

Program Self – Evaluation Process

Child Development Services complies with the California Department of Education regulations which requires the department to conduct a yearly Self -Assessment of its programs. During this process, we identify areas of compliance and non-compliance, and we work together as a team to develop a written plan after the review that will allow for correction of the items found out of compliance. For the Program Self Evaluation summary, we include recommendations based on the Desired Results Developmental Profile (DRDP 2015), School Age Classroom Environmental Rating Scales (SACERS), the Compliance Monitoring Report (CMR), and parent feedback.

After this; if further disagreements arise, parents will be asked to return to court for clarification.

Child Abuse Reporting

All CDS Staff are Mandated Reporters. This means we are required to contact DCFS if we suspect Child Abuse. Child abuse and neglect are serious issues for personnel who work with children on a daily basis. We hope to never encounter incidents of child abuse or neglect. However, we recognize that if a child in our program is potentially suffering from abuse or neglect at home, it is

our responsibility to protect that child to the greatest degree possible. This may include calling DCFS. This information is not given to frighten you, but rather to familiarize you with our responsibilities as teachers, child-care professionals, and service providers.

Possible child abuse indicators that mandate a call to Department of Child and Family Services and/or the police include (According to Penal Code Section 11165):

- **Physical abuse** – Unexplained bruises, burns, welts, fractures, lacerations etc.
- **Sexual abuse** – Difficulty walking or sitting, pain when urinating/defecating, injury or pain to genital area, unusual or foul odor emanating from genital area.
- **Mental/Emotional abuse** – Failure to thrive, depression (child appears sad often, empty facial expression), severe aggression towards self and others.
- **Neglect** – Underweight, poor growth pattern, consistent hunger, unattended physical problems or medical needs, general unattended appearance (soiled clothing, inappropriate clothing, unusual body odor and lack of medical or dental care).

Discipline Policy

Our goal in the School Age Programs is to help children develop positive social skills that help move them toward lifelong success. We recognize that children succeed best when the staff, parents and children work together. The School Age Programs provides for the well-being and safety of each child by helping children understand the effects of their behavior and helping children become skilled at making positive choices. We are committed to:

- Providing opportunities for children to select activities
- Modeling desired behavior/s such as fairness and cooperation
- Redirecting inappropriate behavior quickly, for example moving the child to a new activity
 - Teaching children how to resolve conflicts positively
- Using verbal reminders
- Involving parents
- **Physical punishment is never allowed;** CA Child Care Center Licensing Reg.101223.2

If a child is unresponsive to the previously-mentioned techniques, remains uncooperative, and/or jeopardizes the safety of themselves or others, the following steps will be taken:

- Written notification will be provided to the parent/guardian via a parent – teacher conference and/or Incident Report.
- A team, including the teacher, parent, and Coordinator, will develop a plan to be implemented. The team will meet to review the plan periodically or as needed.
- After other interventions have been implemented, or if the child’s behavior places the safety and welfare of other children or an adult at risk, parents may be called to pick up their child. The State of California Health and Safety Code Regulation #1596.885 requires this action. If a parent refuses to comply with this requirement, the child may be suspended from the program for the following day.
- When a student demonstrates continuous unsafe behavior on center grounds, this might cause termination of services due to jeopardizing the safety of themselves or others.

Administering Medication

Children taking prescription, over-the-counter, or homeopathic medication at school require the following:

1. Medical form with a written detailed description of the condition including the name and dosage of each medication signed by the doctor. Forms are available from the school nurse or staff.
2. Written permission to administer the prescription or medication signed by the parent and the physician. *Dosage and times that medication is to be administered must be included.*
3. Medications must be in the original container with the pharmacy label attached.
4. Whenever possible, medications should not expire.
5. If your doctor states that the child has a need for a medication, you must bring the medication or sign a refusal to supply the medication to the school.
6. The teacher and nurse must be notified immediately of any updates or changes to medication and/or prescription.
7. Medications are to be picked up and taken home on the last day of school.

Allergies/ Medical Conditions

All diagnosed allergies and medical conditions must be documented in the child's file and each staff person responsible for supervising the child must be notified. It is the parent/guardian's responsibility to inform the staff at the time of enrollment and the child's teacher of any and all known (potentially harmful) allergies or medical conditions, i.e. asthma, diabetes, seizures, etc. SAP teachers are trained on the use of the EpiPen in case of an allergic emergency. If you do not wish to have your child administered an EpiPen in case of an anaphylactic reaction, you must sign a refusal statement.

Emergency Preparedness/Response

Each classroom posts information regarding Disaster Preparedness and Response (earthquakes, fires, lockdowns and Shelter in Place). In an emergency the staff has access to appropriate emergency supplies. Children will routinely participate in scheduled emergency drills.

Staff will stay with the children in emergency situations until the crisis subsides and will also make efforts to comfort children during these high-stress situations. Please be reminded that children will only be released to persons on the emergency card who present photo identification.

Parents/guardians who retrieve children during an emergency/crisis will need to sign a release form indicating the time the child was picked-up.

First Aid Procedures

At each School Age Programs site, we make every effort to ensure your child's safety. However, minor accidents beyond our control may occur. Simple injuries will be treated at school by applying ice, soap & water, and/or bandages. In the event that a head injury or serious injury

occurs, you will be notified at once. The Santa Monica Fire Department/Paramedics will be called if necessary. All program teachers are CPR, Epi-PEN and First-Aid trained.

Eligibility for subsidized spaces is not based on "first come, first serve" but determined by the priorities established by the State of California. Siblings of currently enrolled families have a priority when the child is age-eligible and space is available at the requested site.

Required Documentation

Employment / Income Verification

Acceptable employment verification includes, but is not limited to, an employment verification form or a letter from the employer stating start date, work hours, salary, how often paid, and whether or not the current assignment is temporary. Copies of your three most recent check stubs are required upon at the time of enrollment.

Training Verification

School/Training verification consists of official registration forms including class hours and days.

Seeking Permanent Housing

Parents who are homeless and seeking permanent housing must submit documentation from a shelter along with a declaration under penalty that they are seeking permanent, fixed, regular and adequate housing.

Parental Incapacity

Parental Incapacity must include a release signed by the parent authorizing a qualified health professional to disclose information necessary to establish eligibility. The incapacity form must identify to what extent the parent is not capable of providing care and supervision of the child along with the days and hours per week that services are recommended to accommodate the incapacitation. The qualified health professional must also state the duration of parent's incapacity.

Fee Payment/Delinquent Fees

Fees are due upon registration and in advance of services received. Fees are paid at the Child Development Services office or they can also be mailed. Fees are charged on the basis of enrollment, not attendance. No deduction may be made from applicable fees for absences (vacation, illness, personal reasons, etc.).

Methods of payment: Personal or Certified Check, Money order, Visa or MasterCard.

Payments are only received at the Child Development Services office via walk in or mail:

Child Development Services
Attn: Billing/Fees
2828 4th Street
Santa Monica, CA 90405

If paying by check, payments are due on the 25th of each month for the following month. Please make the check payable to "SMMUSD" and *include your child's first and last name on the memo line*. Returned/bounced checks will be charged a \$15 service fee. In the event a personal check is

returned, SMMUSD will no longer accept a personal check as payment, and fees will need to be paid by money order, certified check or credit card.

If paying by credit card, please note charges will be processed on the 5th of each month. Declined credit cards will be charged a \$30 service fee. The amount of the original payment plus the service fee must be paid within 10 days of notification.

Delinquent Fees: The State of California Education Code #18114 (a) states: “Fees shall be considered delinquent after seven (7) calendar days after the due date.” On the seventh day after fees are due, the center will notify parent(s)/ guardian(s) in writing that the childcare fees are delinquent and must be paid within 14 calendar days. Services shall be terminated if delinquent fees are not paid prior to the 14th calendar day from the date of the notice. A reasonable repayment plan may be requested. If a repayment plan is granted, the parent must comply with the agreed upon repayment plan for continued services. If terminated for nonpayment of delinquent fees, the family will be ineligible for services until all delinquent fees are paid. The family will go back on the wait-list and will be readmitted only if space is available and all fees are current.

How Families are Selected

Priorities:

Families are placed on a waiting list once the SAP waiting list application is received. Parent/guardian will be contacted when space is available if their child is next on the waiting list.

Families requesting subsidy are given priority in the following order:

1. Children whose families have the lowest income ranking based on the most recent income ranking schedule (based on family size and total countable income)
2. When two or more families have the same income ranking, priority is based on the date the application is received.

Notification Process:

When openings are available, the staff will refer to the waiting list and contact families according to the CDSS selection ranking guideline. Parents are contacted by mail, e-mail (if provided), or telephone to schedule an appointment to bring in the required documents for enrollment.

Documents to bring to your appointment:

To verify eligibility, bring the following documents to your appointment:

- Proof of all sources of income
- Birth certificates for all children under 18 in the family.

Notice of Action

Childcare services may not begin until the application for services is signed by both office staff and the parent. At the time of approval of services, staff will issue a Notice of Action (NOA) to the participant indicating the hours of services approved, and any applicable family fees.

Notice of Action & Updating Records

The “Notice of Action” (NOA) is a written notification of status change for California State Subsidized Families: (i.e. Provision, approval, change, and termination of services). Once a child is enrolled, it is the parent(s)/guardian(s) responsibility to keep all documents and information updated. **Emergency cards are critical. They must be complete and current at all times.**

A notice of action will be issued by staff when any of the following occurs:

- Certification is completed
- Recertification is completed
- Changes that affect need, fees and eligibility occur
- The family is to be terminated from the program for any reason
- Family fee is delinquent

Upon receipt of a Notice of Action, all participants have the right to appeal. Please see the back of the NOA for information about the appeal process (please note that the appeal process is time sensitive).

Health and Social Services

Upon enrollment, parents will be given the Resource and Referral guide to provide access to referrals and services that the family may need.

Desired Results Developmental Profile (DRDP)

Child Development Service utilizes the DRDP as recommended by the California Department of Education (CDE), and CDSS to ensure that all children are making progress in all domains: social, emotional, language and literacy, math, science, social studies, and physical and health development.

- We use the DRDP (2015), a tool developed by the CDE to assess child development.
- Children are assessed twice per year. The initial assessment occurs within 60 days of enrollment.
- Parent/guardian's input is a necessary component of this assessment.
- The assessment is also used to plan and conduct developmental activities that are age appropriate for the children.

How to Continue in the Program

Re-certification:

According to the regulations, families must recertify no sooner than twenty-four months from last certification to continue subsidized services. **Families who fail to recertify will be issued a Notice of Action for termination.**

Notification of Changes:

Families must notify the agency of changes in family income that exceeds the 85% State median income threshold as noted on NOA, family size or the need for services.

Abide by Agency Policies, Procedures, and Program Requirements

It is the responsibility of the parent to abide by all policies, procedures, and requirements to obtain and continue receiving services. Not doing so may result in termination of services.

Attendance: Sign-in and out /Absence Policy

According to program regulations, parents/guardians must sign in/out daily on a child's timesheets. Only custodial parents and authorized adults (those listed on emergency card) are allowed to sign out or remove a child from a classroom. Staff members will require a picture identification if they

are unfamiliar with the adult picking up the child. Individuals under eighteen (18) years will not be allowed to sign children's time sheets in or out unless the individual is the child's custodial parent.

Full signatures and EXACT time are required for both arrival and departure times.

According to State Requirements and program regulations, students in the state subsidized programs are allowed ten (10) "Best Interest" days per program year for vacation, family visits, etc. Any absences in excess of ten (10) days and not included under excused absences are considered *unexcused*, and may be the cause for termination of services.

Children who are absent for five (5) consecutive days due to illness, must have a medical clearance/doctor's note prior to re-admittance. Children who have contracted a communicable illness and are excluded by the public health department, must have medical clearance prior to re-admittance, regardless of the number of days of absence.

- Regular attendance is required for all programs
- Excessive absences, whether excused or unexcused, may result in termination from the state subsidized program.
- Parents are required to sign in and out on a daily basis. **Full signatures and EXACT time are required for both arrival and departure times.**
- Parents **MUST** notify the teacher when their child is absent for any reason.
- Staff members may contact families when there are excessive absences.

Recording/Verifying Absences

Parents/guardians must be specific when recording reasons for absences. (i.e. Flu, Fever, vomiting). Absence excuses must be written on the last column of the sign-in sheet under the "reason for absence" box. Parent/guardian must provide full signature, and provide supporting documentation about the absence to ensure proper categorization. **Please be reminded that general explanations such as sick, not feeling well, personal, etc. are not acceptable.**

Excused Absences include:

- Illness or quarantine of child
- Illness or quarantine of parent
- Doctor or dentist appointment
- Court-ordered visitation (court order must be on file at Child Development Services)
