**STANDARDS OF BEHAVIOR THAT PROMOTE CIVILITY AT ALL PUBLIC MEETINGS:**

|                                                                                   |                                                                                           |
|-----------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|
| Treat everyone with respect and courtesy.                                         | Keep an open mind and, if merited, allow yourself to be persuaded to change your opinion. |
| Listen to others respectfully.                                                    | Acknowledge dissension as a civic right and as a tool to use to reach the best decisions. |
| Agree to disagree, and don't make it personal; discuss the issue, not the person. | Accept responsibility and maintain self-control.                                          |

**NORMAS DE CONDUCTA QUE PROMUEVEN LA CIVILIDAD EN TODAS LAS REUNIONES PÚBLICAS:**

|                                                                                            |                                                                                                       |
|--------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------|
| Tratar a todas las personas con respeto y cortesía.                                        | Mantener la mente abierta, y si la ocasión lo amerita, permitir ser persuadido a cambiar de opinión.  |
| Escuchar a los demás de manera respetuosa.                                                 | Reconocer el disenso como un derecho cívico y como una herramienta para tomar las mejores decisiones. |
| Aceptar las diferencias y no tomarlas de forma personal; debatir el asunto, no la persona. | Aceptar la responsabilidad y mantener el autocontrol.                                                 |
