## Superintendent's Message: Passage through PCH Approved and Social Emotional Health

Dear Malibu Parents, Guardians, Staff and Community Members,

It has been a very challenging few weeks and we are all feeling the emotional toll of the Palisades fire and its aftermath including the evaluation of safety in decisions to open and close schools.

We have been working with the Lost Hills Sheriff's Captain Jennifer Seetoo, along with partners from Supervisor Lindsay Horvath's office, City of Malibu and other agencies to provide passage for our school buses through Pacific Coast Highway (PCH).

We are pleased to announce that starting tomorrow we have been issued permits for our school buses to utilize PCH for drop off and pick up at our Malibu schools. Staff may choose to ride the school buses. We are also working with our partners to allow teachers and staff to commute in district vans through the PCH to reduce their commute times.

An <u>updated bus route list effective Wednesday</u>, Jan. 29, 2025 is linked and page three to this letter. Please note that we will adjust timing as the routes are run and communicate any adjustments that need to be made.

I had the opportunity to experience the devastation on PCH on my way to and from the Malibu Town Hall on Saturday and this is not an easy sight to witness for children or adults. Burned cars and shells of family homes, along with devastation to natural habitat and landscapes, throughout the drive was very disturbing to see.

With this in mind, we will have additional staff support on our buses so students will have the opportunity to process what they see while on the bus and upon arrival at school. The social emotional health of our students is fragile right now for many and we are here to support them through this challenging time. Each bus will have some adult and pediatric masks on hand for those who may need, or parents are welcome to provide for their child in a plastic bag for reuse until they are soiled.

Here are a few additional resources for families who may need support in discussing with their children:

Talking to Children when Scary Things Happen

• English / Spanish

Parent Guidelines for Helping Children Impacted by Wildfires

• English / Spanish

Tips to Recover from Wildfires

• English / Spanish

We appreciate your ongoing support and a shared determination to create the best possible learning environments for our students. Their safety and wellbeing are - and will always be - our top priority. We look forward to continuing our efforts in Malibu to ensure the continuity of learning while also considering the social emotional health of our students.

Sincerely,

Dr. Antonio Shelton, Superintendent Mr. Isaac Burgess, Executive Director, Malibu Pathway & Secondary Schools
