**Malibu Visual Arts Student Showcase**

Visual art produced by talented Malibu middle and high school students will be showcased at Malibu's annual art show planned for Thursday, April 24, 2025 in the PTSA room at Malibu High School from 5-7 p.m. The art show is open to parents, students and the community, with a requested donation of \$10 to support visual arts at Malibu middle and high schools.

Numerous works of art will be displayed by secondary students attending Malibu Middle and Malibu High School. Art will include: Drawings, paintings, printmaking, photography, film/video, sculptures and ceramics.

"We are so proud of our art students, teachers and staff, for the hard work and vision required to create and install such a phenomenal exhibit," Superintendent Dr. Antonio Shelton said. "This is a great opportunity to highlight the visual arts curriculum in Malibu and celebrate the accomplishments of talented student artists and teachers."

"Visual arts, as well as performing arts, is an incredible mainstay in Malibu, and with good reason -- we have so many talented student artists and instructors," said Santa Monica-Malibu Visual and Performing Arts Coordinator Tom Whaley. "Our students truly exemplify talent and creativity and we are grateful to have this event highlight their achievements. We look forward to seeing you on April 24!"
