

# Modernization Update #9

Malibu  
High School

## Important Info for Parents, Students and Staff

WELCOME BACK! WE HAD A SUCCESSFUL SCHOOL OPENING !

Sept. 14, 2017

## Look what we accomplished this past Summer!

### CONSTRUCTION – MUCH ACCOMPLISHED THIS SUMMER!

#### Over the Summer:

- Building E is now Gone!
- Buildings A Superstructure was Demolished
- New Parking Lot E is approximately 60% complete
- Newly renovated Administration Offices, Attendance/Counselor Offices and Nurse's Office
- Music and Arts Buildings - All interior/exterior door frames and doors replaced, and new window frames and glazing completed
- Wood Shop and Ceramics - All exterior door frames and doors replaced, and new window frames and glazing completed
- Special Education area - All interior/exterior door frames and doors replaced, new window frames, glazing, new flooring, paint, new restroom, new laundry room and new kitchenette
- New track surface

#### Construction Continues:

##### Looking Ahead!

- Demolition of Building B and C Superstructure
- Construction of New Main Distribution Frame (MDF) room
- Building D restrooms; faculty and boys/girls restrooms
- Drinking fountains

Please contact Nelson Martinez, Construction Manager at [n.martinez@smmusd.org](mailto:n.martinez@smmusd.org) or Carey Upton, Chief Operations Officer [cupton@smmusd.org](mailto:cupton@smmusd.org) should you have any questions.

**Thank you parents, staff and students for your ongoing cooperation and patience while we work to modernize MHS!**
