Subject: Santa Monica-Malibu Unified School District

Tom,

With regards to environmental issues at two of our Malibu campuses, the District understands the concerns and our obligation to fully comply with TSCA. Therefore, the Santa Monica-Malibu Unified School District will remedy the TSCA violations identified at four window areas at Malibu High School within the next 10 months, no later than June 30, 2015. Additionally, as described in our plan to the EPA, the District will change light fixtures at both Malibu High School and Juan Cabrillo Elementary School within the next 12 months.

We acknowledge that while this is a voluntary corrective agreement, the EPA is the federal agency with exclusive jurisdiction over TSCA investigations and clean ups. Therefore, we will coordinate with EPA to ensure that all activities are subject to approval of the EPA and adhere to relevant TSCA standards. Additionally should we find additional TSCA regulated materials, we anticipate voluntary removal of those materials and will coordinate with the EPA regarding any necessary approvals and timing.

Thank you for all of your assistance and support on this matter.

Thank you,
Janece L. Maez
