

What is AVID?

AVID is an elective class that prepares students with high academic potential for success in college and future careers.

An AVID student

- Has desire and determination
- Demonstrates good citizenship and behavior
- Desire to attend a four-year university
- Might be the first person in their family to go to college one day
- Approaches school with a positive attitude
- Sets goals and makes plans to achieve them
- Understands the value of an education
- Maintains an absolute minimum of a "C" average

Join AVID!

Advancement Via Individual Determination

IDEA

Why Should You Apply?

- Great experiences
- College visits
- Learn important skills
- Community service opportunities
- Leadership skills
- Be apart of a family-like environment that provides academic support

What Happens in AVID?

- AVID Students are supported in high-level academic skills in writing, inquiry, collaboration, organization, and reading.
- AVID Students are equipped with skills such as note-taking, time-management, test-taking, and goal-setting.
- AVID Students work in collaborative groups and are motivated to pursue academic excellence through college field trips, classroom guest speakers, and AVID team building.
